**Peasouper**

The Peasouper is your professional, cost-effective solution for creating spectacular low-lying fog effects. Moulded from a lightweight, heat-resistant, durable cross-linked polythene, the Peasouper has a 20-pound dry-ice capacity. Control the amount of fog output using a four-step ratchet lowering system that positions the dry-ice basket at various depths in the boiling water. The result - approximately 5 minutes of continuous, powerful low-lying fog that’s sure to add excitement to any production or event.

The Peasouper comes with our standard One-Year Warranty on all parts and service.

**Output:**

Fog RunTime: 5-7 min.
